MJ,

I have to say, you are the best realtor in the history of our lives!!!! Intelligent, Hardworking, kind, diligent, helpful, diplomatic, and everything God made you to be. I only hope that we can bless you in other ways in future and always keep you forever! "Lose the house keep our realtor and his family!!!" I couldn't have done this without you and all your guidance. Although this helps auntie, it was really a blessing to us to get to be your friends. Thank you!!!!!!! Great work. Next, find my land/farm, compound!!! You're not getting rid of us yet!
